

Welcome to our Website!

Fall--2024

This school year, 2024-2025, the Willow Hill School is celebrating it's 55th anniversary! Often these occasions are celebrated on the 10's; however, our 50th was May of 2020, and all of our plans, and yours, were cancelled due to the global pandemic. Now, with even five more years of success, including the launching of our Summer Program this past July, we have much to celebrate--namely our students that have found their way to our School where they can embrace their learning differences and excel in their strengths, all with the purpose of preparing them for work, post high school education, and relationship skills for success as young adults.

If you are a parent, grandparent, relative, or friend of a child going into 6th grade or up to 12th grade and your interest has been piqued by what you have read on our website, please call Tom Rimer, our Director of Admissions, at 978-443-2581 for a conversation about a possible fit for our School. Applications are now being considered for next Fall of 2025.

Best Wishes to You!

Marilyn G. Reid
